

Parent Newsletter

NOVEMBER / DECEMBER 2018

WELCOME!

Dear Families,

We would like to take a moment to recognize our students and parents/guardians commitment to education. We provide support for student success and parent navigation through High School with **free** parent workshops. Kindly check the main office bulletin board, Parent Coordinator bulletin board, phone calls from LIC HS, mail, and pupil path messages for announcements regarding family involvement and engagement events. Please fill out a parent assessment survey to request parent workshop topics. We will be glad to help you with any questions or concerns that you may have. Happy Holidays!

Sincerely, LIC HS Parent Coordinators,

Maria Cancemi

Meet Your Parent Association Board

President	Shakera Robinson
Treasurer	Kashona Forrester
Secretary	Darwin Ayabaca

Join us at the Monthly Parent Association Meetings

- The PA is a great way for families to become involved in their children's education, share ideas, and enrich their school communities.
- PA meetings are a great way to benefit from parent workshops and to receive valuable information.
- Translation services will be provided. We are planning to create a focus group for parents inclusive of all cultures and languages in our school to gather feedback and best practice for reaching all families in their preferred languages.

So let your voices be heard and keep the PA STRONG! Save the Dates!

PA Meetings: November 15, 2018 at 5:30 pm
December 13, 2018 at 5:30 pm
Refreshments will be served.

GOOD NEWS AT LIC HS: AWE

The AWE academy is excited to welcome back our students and their families for another school year. This year we have continued to expand our program adding 139 ninth grade students to our community. Our Academy is continuing our partnership with NAF and our articulation with York College and their Movement Sciences Program. We are also continuing our CTE advancement in personal training. As our students progress through our program, they will participate in wellness related internships through the Elmhurst clinic based in our school. In order to accommodate our budding program, we are excited to welcome new teacher to our AWE family, Mr. Timothy Wienclaw who is dually certified in health and kinesiology. He is also our new football coach, having been an academic All American football player at the University of Rhode Island. We encourage our students to get involved with our sports teams, wellness initiatives and clubs and to stop by our AWE hub in room 212 if you need further support.

Maintaining Communication

We would like to encourage you to update your contact information. It is very important for the school to be informed of any changes in your phone numbers or address. The school is in constant communication with parents and families in order to inform them about any school activity or a child's progress. Also, in case of an emergency it is crucial to have information updated in order for the school to be aware of who to contact. Providing updated addresses is necessary to receive documents such as, important letters, important news, child's report card, etc. In order to complete these updates, you can send your information to the attendance office in room 110. For an address update, you must provide two proofs of address (example: a lease agreement, residential utility bill, cable bill, rent receipt, etc.). For further questions, please contact the attendance office at: 718-545-7095 extension 1101.
