Dear Families,

As we enter the beginning of a new and very different school year, we would like to assure you that we understand your concerns and are here to support you and your child/children. We would like to take this opportunity to welcome you to Long Island City High School (LIC HS).

ALL DOE employees, visitors, and families must complete a health screening before entering DOE facilities. This health screening must be completed on each day of arrival. This health screening can also be completed online at <https://healthscreening.schools.nyc/>. Upon entering the facility, if you have not completed the online health screening you will be asked to provide responses to the questions on paper.

The Health Screening Questionnaire is translated in several languages posted on the school website longislandcityhs.schoolwires.net: English, Spanish, Arabic, Bengali, Urdu, Chinese, Korean, French, Haitian Creole, and Russian.

To learn more about the Health Screening Questionnaire please view the tutorials:
