## Meaningful Math: Algebra

*This Course terminates in a Regents Examination:*

**Tuesday, January 23<sup>rd</sup>, 2018 and June 2018.**

*We will work hard, we will work together and we will do well!*

### Required Materials

1. One dedicated section of a loose leaf notebook or separate notebook that is used only for math
2. A 2017-2018 Planner with space for writing daily HW assignments
3. A pencil and pen
4. Ruler and protractor
5. Scientific or Graphing Calculator. ( Must have buttons “sin”, “cos” and “tan”)
6. Graph Paper

### Classroom Behavior Rules

1. Obey school rules: no hats, electronic devices (unless teacher directed), eating in class.
2. No talking out of turn
3. No changing, getting up out of or turning seat without permission
4. Actively engaged in learning from bell to bell.
5. Listen to directions the first time.

### Exams & Projects: 50%

Students Exam & Project score will be determined by mastery of content demonstrated on a minimum of one unit assessment per unit of study, four uniform assessments. Longer Projects and a compilation of smaller mini-assessments can also contribute to the final score for this area.

### Classwork: 30%

Students’ classwork grade will be determined by student mastery of Common Core Mathematics Content Standards evidenced by: writing tasks (WITsi), Do Now, Entrance & Exit Slips, class notes from independent work or open-ended challenging tasks with corresponding annotations, quizzes, written/verbal peer-assessment and student discourse using content specific vocabulary. Graded items shall be collected and organized by the student in a portfolio or notebook

### Homework: 20%

Homework will be assigned regularly to provide students with opportunities to apply new concepts, practice newly acquired skills and demonstrate mastery of the mathematics Standards.
